PLUMBERS DECLARATION

Westernport Water will undertake mandatory inspections at the following stages:

- Main to Meter stage
- Final Inspection stage after testable backflow prevention has been installed

***It is the plumbers' responsibility to contact Westernport Water to arrange for these inspections - 1300 720 711**

- Bridging pipes are not acceptable and constitute water theft
- Any tapping excavation deeper than 1.5 metres MUST be timber shored or benched
- Piping must meet Australian standards
- Meter assemblies and above ground pipes must be solid purple in colour

In lodging this application, the applicant declares that they are authorised by the land owner or business manager to make this application on their behalf and agree to the conditions as specified in the *Customer Site Management Plan*.
