WATER.

Build Over Easement Request

Please fill in the form below and a Technical Officer from Westernport Water will contact you to discuss your Build Over Application.

Name

Address of property to build over

Reason for build over

Email Address

Contact phone number

Residential Address

If a build over is required you will be requested to supply the following

Information: Application fee of \$115.90

Two agreement forms need to be printed, signed and returned to Westernport Water with copies of your plans showing details of the angle of repose of the foundations in relation to our sewer main.

Once you have returned the agreements and payment, Westernport Water will assess your application, if your build over is approved a signed copy will be returned for your records.
