\*\* (must include tap water promotion and no bottled water sales)

## What are the objectives of the program?

Westernport Water provides sponsorship and donations to support events, initiatives and campaigns that align with the Corporation's strategic objectives and demonstrate relevance to our products and services.

We recognise the significance of our social responsibility – as an essential service provider, as a large local employer and as a natural resource manager. That is why we are committed to partnering with all members of the community to identify their needs and continue to meet expectation in the short and long term.

*Did you know that 82 per cent of our customers believe that it is important that Westernport Water makes a meaningful contribution to the community?*

To learn more, please read our [Corporate Social Responsibility Strategy 2017-22](#).

## Why are you spending money on this?

This program provides a structured and creative way to assist our local community in the areas that they value most.

Through our Corporate Social Responsibility Strategy 2017-22 we committed to:

- provide \$50,000 per annum in real terms in sponsorship or grants for community-based causes
- undertake a minimum of 20 community engagement/ education initiatives per annum from 2018-2023

Westernport Water also has a regulatory obligation to contribute to Water for Victoria actions to:

- support thriving, resilient and liveable cities and towns for our health and wellbeing
- recognise and manage for Aboriginal values, support Aboriginal participation in water management and improve outcomes for Aboriginal Victorians.
- maximise the value of agricultural production
- provide water for liveability and recreation and maximise recreational benefits for the community from our land and assets.

### What acknowledgement will we have to give Westernport Water if our application is successful and we receive funding?

Sponsorship recipients will be required to acknowledge Westernport Water's sponsorship/support. The acknowledgement must comply with Westernport Water's Brand and Style Guide and clearly indicate the support for the sponsored activity.

(see [Terms and Conditions](#) (T&C's) for sponsorship)

### Do you have any COVIDSafe requirements?

The proposed initiative/project can be delivered face-to face or online prior to 30 June 2022, regardless of changes to COVID restrictions.

The proposed initiative/project is COVIDSafe as per the Victorian Government guidelines and requirements.

### **What happens if social distancing and event restrictions continue to persist into 2021?**

All events will need to adhere to Victorian Government coronavirus (COVID-19) advice to be eligible for our support. If, once funded by Westernport Water, your event needs to be modified to fall in line with the latest government health advice, please contact us as soon as possible so we can agree on a revised plan.

If, once funded by Westernport Water, your event is unable to go ahead in the 2020-21 calendar year, please contact us as soon as possible as funds (in part or in full) will need to be returned to Westernport Water. Please refer to our terms and conditions for further information.

### **Can successful applicants from the 2020-21 Community Support Program apply again in 2021-22?**

Yes, eligible groups may apply yearly. Each application will be assessed separately each year. Success one year does not guarantee success another year, nor does it count your application out.

### **Can one group or organisation submit more than one application each year?**

Yes, a group/organisation can submit more than one application each year, however, only one application can be approved from each applicant.

Each application will be assessed separately and if more than one is deemed eligible, we will select the project or event which we decide is best for that year.

Submitting more than one application will allow us to find the best combination of local projects and events we wish to support.
