

# Backflow annual testing options

**Westernport Water is committed to ensuring our customers and community are provided safe, high quality drinking water.**

To ensure the safety of the public drinking water network, Westernport Water requires you to respond to this notice indicating your preferred option for backflow annual testing and payment type, using the enclosed reply paid envelope.

\*Please select your preferred option on the back of this notice.

**WESTERNPORT**

# My preferred annual testing option and payment method is:

(please select one)

- ☐ If you believe your property is no longer rated a high hazard due to a change in your business and/or there have been alterations made to your plumbing, you can engage a licensed backflow tester to do another audit of your property to determine the correct hazard rating. This will need to be completed and results sent back to Westernport Water within 30 days.
- ☐ I will engage my own plumber, licensed in backflow, to annually test the backflow device at my property.
- ☐ I would like Westernport Water's contractor to annually test the backflow device and charge the cost to my account.
